

Here's a suggested plan of action - tweet @jfranksmw if you have questions.

GLOBALLY, let's focus on positive. Remember the word "disappointed" has a lot of power.

- 1) WHAT:** We need to tweet every member of the Committee (click here for [Foreign Affairs Twitter](#) handles)

WHY: We want as many members as possible to be at the hearing so that it has maximum effect.

HOW: Something like "Pls committ to attending #PTSD Hearing on 10/1 - we cannot leave a man behind. #bringbackourmarine #marineheldinmexico"
- 2) WHAT:** Get those on House Foreign Relations to PUBLICLY commit to co-sponsoring H.Res. 620

WHY: Foreign Relations controls authorization for foreign aid funding and unanimous support would send a powerful message

HOW: Tweet the below members something like "Will you stand for "leave no man behind" and co-sponsor HRes. 620? #hres620 #ptsdhearing #marineheldinmexico #bringbackourmarine"

or: "I'm really dissappointed you haven't taken a stand for Andrew by cosponsoring H.Res. 620 - we MUST stand behind him #hres620 #ptsdhearing #marineheldinmexico #bringbackourmarine"
